

KELLEE GRENIER, DPT

She received her Doctoral degree of Physical Therapy (DPT) from Eastern Washington University. As a Doctor of Physical Therapy, Kellee has received specific training in differential diagnosis, pharmacology, radiology and imaging, health care management, prevention and wellness, health promotion, histology, and pathology. She has provided care in Idaho, Washington, and Oregon for her clinical residencies.

Kellee's current practice of physical therapy is within the field of sports medicine and orthopedics. Her clinical training also includes evaluation and treatment within the fields of acute care rehabilitation, geriatric care, neurological rehabilitation, and sub-acute rehabilitation. She is presently pursuing certification through the McKenzie Institute U.S.A., Manual Therapy certification (COMT) through the North American Institute of Orthopedic Manual Therapy (NAIOMT) as well as board certification as Orthopedic Clinical Specialist (OCS) through the American Physical Therapy Board of Specialities.

In her free time, Kellee enjoys running, pilates, rock climbing, ultimate Frisbee, and exploring the great outdoors!
