

Claire Barton, PT

Claire Barton has nearly 30 years experience dating back to 1991, with her formal training in Manchester, England. She is owner and practicing clinician at Claire Barton Physical Therapy in Newport, Oregon. Currently she is in Fellowship Training to be a Fellow in the American Academy of Orthopedic Manual Physical Therapy (FAAOMPT) through the AAMT (American Academy of Manipulative Therapy). Claire has extensive experience in Cardiothoracic Rehabilitation, Amputee Rehabilitation, Orthopedic injury and Rehabilitation, Medical, Outpatient and Geriatric Rehabilitation.

Eugene PT has a strong commitment to education. Its PT staff not only teach post-graduate courses throughout the United States, but have two APTA Credentialed Clinical Instructors that supervise final residency programs prior to DPT graduates taking their Board Examinations, in addition to one of our staff being a Fellowship Instructor. Our clinical education program has gained a reputation over time, having contracts with over 10 universities throughout the U.S.A. Our goal is to train our PT Residents and Fellows-in-training to be able to provide the exceptional standard of care that is our mission. Seeing any of our Fellows and/or Residents should be a rewarding experience given the training they have been and are presently being given.

Fellowship Instructor: Jeff Giulietti, MPT, ATC, OCS, CSCS, COMT, FAAOMPT, USAW-SPC
